SAYS HE PROBED PRIVATE LIVES OF FILM STARS

Now Harras Wants \$7,245 From Movie Company for Detective Work.

(Special to The Evening World.) LOS ANGELES, June 14 .- Otto H Harras of New York, formerly with the Robertson-Cole Company's film studios, has filed a \$7,245 damage suit here against the concern, charging that he was employed to investigate the private lives of stars, including Pauline Frederick.

The desertion immediately of Los Angeles for New York by Bessie Barriscale, the film star, is heralded by the auction sale to-day of her pretentious residence here. The actress offers for sale everything from the mansion to a washing machine, in preparation for her debut at the Belmont Theatre in the fall.

Lady Tsen Mei, the Chinese prima donna who made her appearance in grand opera in New York, is to be starred here in a Chinese film play. backed by Chinese capital.

Charles W. Paddock, world's champion aprinter, has done 100 yards at Washington Park here in nine and four-fifths seconds on a grass field. This is believed to be a new record. This is reported the same as Bernie Wefers's time on the cinder path.

Funeral services were held here for Mrs. Martha B. Joralman, who is survived by a son, H. M. Joralman of New York. Mrs. Joralman was the wife of the Rev. Dr. John S. Joralman, for many years a Dutch Reformed Church missionary in China. William P. Burnett, a prominent ploneer Los Angeles building contractor, who was a native of Brooklyn, is dead here. He was born in 1842.

Mrs. Willis Booth and son of New York are here for the summer, during which she will maintain her residence at the Los Angeles Country Club. Mr. Booth, of Guaranty Trust Company, is later to join his family here for a few weeks.

Al. Christie, the well-known film producer, has finally left for New York for a month's vacation. He bought a ticket once before, but a change in production plans kept him

Allen Holubar, film producer, is soon to go to New York to negotiate with the Selwyns for a stage version of his

epectacular film just released. If the deal is consummated it will be a pre-cedent in reversals. Jackie Coogan has arrived home from New York, with the pushing into Jake Everett, Conn., of "Hig Bill" Ed-wards as his most vivid impression of Manhattan.

What does bacon do to liver?

Have you ever noticed that calves' liver registers only about 40% on your tastometer when it is unaccompanied by the flavor of rich, full-cured bacon?

I don't know what it is in bacon that supplies this exquisite symphony of flavor, but I do know that without bacon liver just isn't complete.

No matter how you use bacon in your cookery, you really buy it for its flavor. Then why not be particular about this quality?

To get the full flavor in bacon, buy it in the piece and always slice it fresh before cooking. Ferris Bacon comes only in the piece -firm and solid-easy to slice whenever you need it. Famous for flavor for half a century.
